

WRD7

7 Watts / 700 Lumens / 80+ CRI

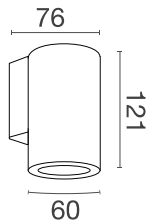

Classic uni-directional wall light featuring a single 7W COB LED in 3000K and 4000K colour temperature options. Manufactured from an aluminium body and finished with corrosion resistant powdercoating, combined with a sealed safety glass lens for IP65 protection. The WRD7 range is supplied with an integral driver.

System Power 8.5W

LED Power 7W

IP Rating IP65

Weight 765g

	3000K			
COB Lumen Output	850 lm			
Total Luminous Flux	720 lm			
Efficacy	84.7 lm/W 4000K Medium Beam	Lifetime	50,000hrs (L80)	
Input Voltage	100V - 240V AC 50/60 Hz	Protection	Thermal and Short Circuit	Power Factor > 0.9
